

Renaissance®
VISION

Your *Stand Out* vision
care plan from Renaissance.

Open *Your Eyes* to Renaissance.

More choices, smarter savings and the best vision care.

With over 70 percent of the workforce requiring vision correction¹, it is essential to regularly schedule eye exams and screenings. Besides identifying vision impairment and eye diseases like cataracts and glaucoma, vision exams can also detect early signs of hypertension and diabetes.²

That's why Renaissance has partnered with VSP® Vision Care, the largest national network of independent doctors, to administer our vision benefits. And that's good news for you.
